- **Participate** in complimentary monthly webinars developed in collaboration with multiple MGMA state associations.
- **Enhance** your leadership skills as a committee volunteer.
- **Receive** bi-monthly e-Newsletters containing practice management topics.
- **Access** to Practice Resources and Tools.

About New York MGMA

The New York Medical Group Management Association is an active association of professional medical group practice leaders from all across New York. Our members are dedicated to the advancement of group practice management through educational programs and the exchange of information and knowledge among and between colleagues.
