The Who's of NYMGMA

WHO WE ARE

The New York Medical Group Management Association (NyMGMA) is a vital resource for healthcare professionals and medical group managers throughout the state. New York MGMA offers advocacy, education, tools, resources and networking opportunities required to enhance, develop and mentor those who serve in the administration of the medical practice. We are the one stop resource for the practice management community in New York.

WHO ARE OUR MEMBERS

New York MGMA is comprised of approximately 400 members representing over 3,000 physicians. Our members work in a wide range of practice settings, such as: private practice, academic and hospital practice, and integrated delivery systems and represent all specialties. They are like minded individuals with similar professional goals. Of our medical practice membership, a large percentage serve in a leadership position within their medical practice. Most members categorize themselves as Administrators, Managers, Directors, Presidents or C-Suite Executives.

WHO SHOULD PARTNER WITH US

If you are looking to grow your presence in New York and want to partner with an organization who values your support, NYMGMA is the right place for you. We take the time to understand your organization's goals and needs and we'll work with you to find the right solution for your investment. Our corporate sponsorships focus on a multi-platform approach to avoid over saturation in one discipline, ensuring your message connects with our members. We have developed a variety of unique and customizable event sponsorships and exhibiting opportunities for our annual conference to spotlight your organization. And we also offer several a la carte items to maximize your exposure including Thought Leadership Session, Peer to Peer Roundtables, Spark Sessions, Webvertising and Newsletter Ads.

This booklet will give you a look at all of our year-long Corporate Sponsorship opportunities, our Annual Conference offerings as well as additional a la carte options for your consideration.
